## Call for Papers

♦ The International Conference on Advances in Artificial Intelligence for Society (ICA25 2025) aims to bring together researchers, academicians, industry professionals, and policymakers to discuss the latest advancements in AI and its impact on society. The conference will be organized by Gulf Medical University Ajman, UAE and the Indian Institute of Information Technology Bhopal, India. It will serve as a platform to exchange ideas, foster collaborations, and explore the ethical, social, and technological dimensions of AI. We invite original research papers on following themes but not limited to:

- \* Technological Innovations in AI
- \* AI in Healthcare
- \* Ethics, Privacy, and Security in AI
- \* AI Driven Management and Decision Support
- \* Cloud Computing and AI
- \* AI for Society/SDGs
- \* Future Horizons in AI

## Important dates

Full paper submission:	May 31, 2025
Decision Notification:	July 20, 2025
Camera ready submission:	August 15, 2025
Registration (early-bird):	August 31, 2025

## Paper submission

Authors are invited to submit original, unpublished research work in the form of full papers in Springer format. Submissions should be made through the official conference submission portal. All submissions will undergo a rigorous double-blind peer review process by an expert panel. Papers will be evaluated based on originality, significance, technical quality, and clarity. Accepted papers must be presented at the conference by at least one of the authors.

Templates: MS-Word LaTeX

SUBMISSION URL: <https://cmt3.research.microsoft.com/ICA252025>
